## Cabana Style

By Aja Mangum

If you're looking for year-round yacht glamour, London's **Heidi Klein** boutique has opened its first Stateside location, on the Upper East Side (1018 Lexington Ave., nr. 73rd St.; 212-327-1700). The cabana-style store—unfinished slate floors, linen draperies—dishes up chic resortwear for men, women, and kids: linen trousers, mix-and-match bikinis, and caftans. If offerings from the private label aren't enough, other European brands include Vilebrequin, Eres, and Melissa Odabash.
